

SIZZLE PROFESSIONAL ICE MELTER

PREMIUM
MEDIUM SIZED
SALT

Sizzle Professional Ice Melter sizzles through sidewalk snow and ice even on the worst days! This premium blend will melt ice faster and longer than rock salt. Sizzle's rich dry blend of 10% calcium chloride pellet and premium sized salt crystals, allows for reduced application rates and provides clean surfaces quicker and more efficient!

Effective at Lower Temperatures (-25°F)

- ❖ Optimum blend of Calcium Chloride pellet and premium sized Sodium Chloride
- ❖ Quick burn allows for advanced melting stages during extreme cold and harsh weather
- ❖ Visible ice melting blend is lavender in color, providing easy visibility and lowering your risk of over application
